ACHIEVEMENTS 1989

SAINT JOSEPH'S COLLEGE
DIVISION OF GENERAL STUDIES
BROOKLYN, NEW YORK

Memories to cherish: Scenes from the last graduates' reception.

THE JOYS OF ACHIEVEMENT

We congratulate you, the graduating class of 1989. The attainment of your Bachelor of Science degree from the Division of General Studies, a notable achievement in itself, is particularly significant, since it was earned by so many of you while successfully maintaining full-time professional careers and managing the demands of family life.

We honor your energy, intellect and commitment to excellence. We sincerely hope that your new degree will lead you to a future of joyous achievements in the years ahead.

The Members of the Administration, Faculty, and Staff of the Division of General Studies

June 1989

To The Graduates of 1989:

Congratulations on completing the requirements for the baccalaureate. Never an easy task, the attainment of a college degree is all the more impressive when accomplished by an adult with family and professional obligations. It is a tribute to your vision and commitment that you first established and then achieved your goal.

As you are by now well aware, the college experience is not a solitary one. Many persons have joined together to create an environment supportive of your efforts. Teachers, staff members, advisors, and fellow students — all these individuals are deserving of your appreciation, as are family and friends who helped along the way.

This is a special graduation in that the B.S. in Management of Human Resources degree will be awarded for the first time. Here we find one more manifestation of the College's commitment to helping adults realize their personal and career aspirations.

Again, I would like to extend special thanks to Daniel Beni and Christina Gryzic who, together, have made the *1989 Achievements* our finest yearbook to date.

Sincerely,

Thomas G. Travis, Dean
Division of General Studies

Gloria White-Harris, Preceptor in Health Administration, recognizes graduates she taught.

Caesar Branchini, Lecturer in Community Health, autographs the yearbook.

Daniel Beni, Preceptor in Health Administration and ACHIEVEMENTS Coordinator

To the Graduates of 1989,

The publication of a successful yearbook requires the energies and contributions of many people working as a team. I would like to express my heartfelt appreciation to all who contributed to the realization of this, our seventh yearbook. In particular, I would like to thank Neil Moore, Dorrell Jennings, and Elizabeth Ramos, for their time and creative contributions.

As I have done in the past, I would like to extend special thanks to Christina Gryzic and Sadie McMillan whose administrative support made ACHIEVEMENTS '89 a reality.

Sincerely,

Daniel Beni

I'VE COME A LONG WAY

By Neil Moore
The Class of 1989

I'VE COME A LONG WAY
OVER HILLS AND MOUNTAINS
OVER RIVERS AND PLAINS
YET I WAS NOT AFRAID
I'VE COME A LONG WAY.
IT WAS A BOOM
IT WAS A CLANG
IT WAS A BANG
YET I HANG.
O YES! I'VE COME A LONG WAY.
I WAS HUNGRY
I WAS THIRSTY
I LOST MY ENERGY
YET, I WAS STILL NOT AFRAID
I'VE COME A LONG WAY.
I'M ON MY WAY
ONE DOWN! ANOTHER TO GO!
NO ONE CAN STOP ME NOW.
O YES! I'VE COME A LONG WAY.

THROUGH IT ALL

By Dorrell Jennings
The Class of 1989

I migrated from Jamaica, the West Indies to London, England, where I pursued my studies in nursing. In April 1970, I graduated as a Registered Professional Nurse, shortly after I came to reside in the United States. I was determined to continue my professional education.

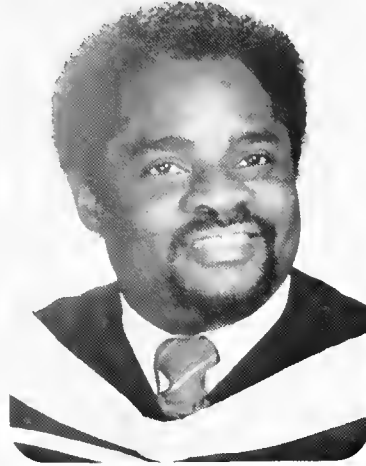

Saint Joseph's College offered me an opportunity for personal and professional growth. The courses I participated in improved my skills and prepared me to better serve the community. The small classes and the caring, constructive guidance of the faculty made my studies at Saint Joseph's worth while.

I have shared this enthusiasm for learning and advancement with some of my co-workers, whom I encouraged to join the student body of St. Joseph's. A few of them did enroll; some have since graduated and others are presently attending.

GENERAL STUDIES STUDENTS TO VISIT HAWAII TO STUDY HEALTH CARE SYSTEM

As ACHIEVEMENTS '89 goes to press, we are pleased to announce that General Studies students enrolled in CHA 501, Field Study in International Health Systems under Victor Brown, will pay a health care fact finding trip to Hawaii, this spring.

The visit will enable students to learn about the health care system of Hawaii as well as provide cultural enrichment. Students enrolled in CHA 501 may receive College credit for the experience.
